The Hampton 254

Inspired by the traditional New York Hampton's style, our Hampton home is designed to reflect modern coastal elegance. Light colours, wide verandahs, generous alfresco and lots of natural light are perfect for the family who want to experience their holiday feeling everyday.

This home features a masonry weatherboard exterior, classic styled windows and decorative fretwork. The interior complements this unique style with an arched walkway leading into a generous living space.

A hampton style home brings relaxed, seaside living to you.
