The Hampton 268

Inspired by the traditional New York Hampton's style, our Hampton home is designed to reflect modern coastal elegance. Light colours, wide verandahs and lots of natural light are perfect for the family who want to experience their holiday feeling everyday.

This home features a weatherboard exterior, sash timber double glazed windows and decorative fretwork. The interior complements this style with arched walk ways and detailed cornice.

A Hampton style home brings relaxed, seaside living to you.
